

# Please help us find Cori Baker!

On November 9, 2007 our beloved daughter Cori, age 13, was due to come home from school on the bus as she does every day. However, her oldest sister's boyfriend picked her up at school but didn't bring her home. She has never been seen since. He is now in jail charged with her murder and has not told anyone where she is. Hundreds of people have helped us search, but we still have been unable to find her, and we are meeting every week to continue our search. We need your help, and there are many ways you can help us.

1. If you live in or near Tulsa, Oklahoma (or can come here), you can help us search. You don't need special skills or expertise, just a willing heart, sturdy walking shoes, and you must be over 18 years old. We meet every Saturday at 8:00 AM at Unity Church of Christianity at 3355 S. Jamestown, Tulsa 74135. Enter through the East door (the back side of the church), turn right, and go down the hall to the last room on the right. Bring your I.D. with you. If you know early in the week before any Saturday that you can come to help search, please email us at [tb1209@cox.net](mailto:tb1209@cox.net). But even if you don't know until the end of the week, please come anyway! We'll be there!
2. You can pray for Cori and our search and put Cori's name on prayer lists at your own church. Please email this to everyone you know and ask them to do the same. We need prayers every day.
3. You can make a donation in Cori's name to a special account that has been set up at the Bank of Oklahoma. Stop in at any branch and ask them to look up the Cori Baker Contribution Account in their system under "Community Spirit" and make your donation that way. Also, you can mail a check made payable to Cori Baker Contribution Account, Bank of Oklahoma, P.O. Box 2300, Tulsa, OK 74192. This fund helps defray family expenses and direct costs for the search. Also, a \$5000 reward has been offered for the person or persons who can give the exact location of her body. That reward is handled through Crime Stoppers; calls can be made to 918 596-COPS.

*If you are unable to help in any of these ways, please forward this to everyone on your email list. There is strength in our numbers.*

Cori is one of the most vibrant young girls you could ever meet. She is full of life and love and always makes you feel that you are the most important person in the world when you're with her. She is helpful, conscientious, athletic, and loves her family and her basketball team and games, and we need to find her and bring her home again. We have been told that she hasn't survived, and we need to lay her to her final rest. The word "closure" has such great meaning to all of us who love Cori, and we pray that you will be able to help us in any way you can. Thank you.
